Main Office (614) 797-5700 Fax (614) 797-5701

**Office of Facilities and Operations**  
Scott Dorne, Assistant Superintendent

## **Vision**

Our vision is  
to be the benchmark  
of educational  
excellence.

## **NOTIFICATION OF INITIAL RADON TESTING IN WESTERVILLE CITY SCHOOL FACILITIES**

Date: December 1, 2021

To: Westerville City Schools Website

## **Mission**

Our mission is  
to prepare students  
to contribute  
to the competitive  
and changing world  
in which we live.

Westerville City School District will be conducting initial radon testing during week of winter break at Alcott ES, Fouse ES and Westerville Central HS. This testing will be conducted per Ohio Department of Health regulations. Results of testing will be posted on the web site. In the event that elevated radon levels are detected, steps will be taken (per appropriate regulations) to correct any problems found. Note that Ohio Department of Health, U.S. EPA, and U.S. Surgeon General also recommend testing of all homes for radon since that is where families spend most of their time and, therefore, where a family can have its greatest exposure.

For additional information, "A Citizen's Guide to Radon" pamphlet can be found at the following website: <https://www.odh.ohio.gov/odhprograms/rp/radlic/radon.aspx>. For questions, please contact Tim O'Brien (Environmental Health & Safety Manager) at 614-797-5984.

## **Values**

Respect  
Inclusiveness  
Community  
Communication  
Collaboration  
Innovation  
Nurturing  
Trust  
Accountability
