Exercising Due Diligence

Now that we are in the fourth quarter of the school year, exercising due diligence has become increasingly important. The final grade for WVA courses will be based on the Grade-to-Date at the end of the school year. It is very important to stay up to date on completing and submitting assignments, practices, labs, quizzes, and tests. Be conscientious about putting your best effort into your school work. Reach out to your teachers for assistance as they do like to help students. We all want students to experience achievement and success in their learning. Practicing due diligence is important in achieving that success.

As a reminder, continue to monitor the academic progress of your student in Apex.

Spring Break

Spring Break is Monday, March 29 thru Monday, April 5. Students may access and work on their WVA courses during the break. Teachers are not expected to hold office hours, answer emails, or be available to unlock material during the break. Normal office hours will resume on Tuesday, April 6. We wish everyone a safe and enjoyable spring break.

Upcoming Spring 2021 Ohio State Tests (OST)s

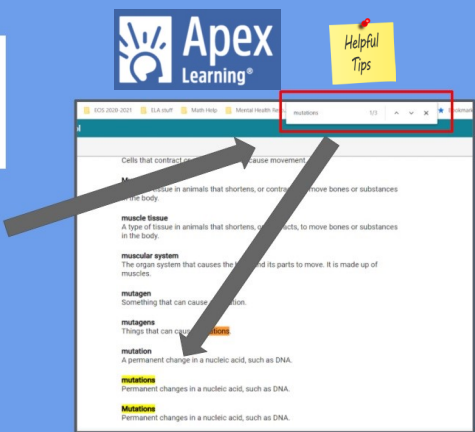

To our WVA families, each school is prepared to test your child. Communication from the building has already been shared based on the March survey completed by parents. Know that we continue to incorporate all safety protocols in our day-to-day school environment. You are encouraged to contact your child's school counselor should you have further questions.

2021-2022 Course Requests

The course request process for the 2021-2022 school year is almost complete and families will be asked to review and verify that requests in PowerSchool are accurate after spring break. Your school counselor will be sharing information on the process and timeline when we return from spring break. If your student has not yet submitted course requests for the next school year, please reach out to your school counselor as soon as possible!
