Principal Report:

New technology - PowerSchool starting to go more smoothly. The media center is having a computer lab classroom installed. Continuous Improvement Plan presented to Teaching and Learning committee. Mr. Kascandi reviewed Heritage's SMART (Specific, Measurable, Attainable, Results driven, and Timely) Goals from last year. Several goals were hard to measure and attain, so the goals will be revised for the coming year. The others were met.

Trying to decrease copy costs by 25% and saved \$7,000.00 last year. Report cards will only be online, unless a hard copy is requested. Year-end parties may get changed.

Fundraisers:

If Entertainment Books do well this year, we are hoping to replace the magazine sale next year. Discussed a company purchasing 100 books. If we drop the price much, we lose that much in profit.

The "Husky Den" (school store) set-up is going well. Some slat walls and display/hanging racks are still needed. Open during lunchtime.

If sell ten or more magazines, Heritage is teaming up with Blendon to send kids to Kalihari.

Still doing SCRIP orders. Deadlines are monthly. Gift cards can be delivered to houses, school, or given to kids at school.

We need an alternate.
