

Join The Whittier PTA!!!!

The Whittier PTA invites you to join in supporting our students in their education.

The PTA provides bus transportation and pays admission for the students for field trips, purchases playground equipment, technology for the classrooms, materials for the media center, funds the community socials, artists in the schools, Whittier outreach and other extra curricular activities.

By joining the Whittier PTA, you support these programs and other things happening at our school. Additionally your dues help to support National PTA, which in turn supports us with literature, information, and guidance. Some of the money goes to insurance that is required of our PTA. Most goes directly to programs going on at our school.

You are not required to come to the meetings although EVERYONE is welcome, and you are not automatically put on a committee. Membership does entitle you to vote on PTA related issues and shows your support of our school.

If you have any questions, please contact Rachel Sanabria, PTA Secretary & Membership Chair, at 614-882-7813 or rasanabria@rocketmail.com

Parent/Member Name 1: _____

Parent/Member Name 2: _____
