

Welcome to Social Studies

#1 Expectation: Be Kind to One Another!!!

Classroom Expectations:

Here are a few guidelines that I expect each of you to follow, to ensure success in Social Studies:

1. **Respect:** Respect others property, space, and feelings. Treat others the way you would like to be treated.
2. **Responsible:** Bring all needed supplies and homework to class each day. Make sure to check the board in the window for reminders.
3. **On time:** You have 4 minutes between classes. Make sure to be in your seat, with your pencils sharpened, and log book completed.
4. **No Gum:** You are not allowed to have food, gum, candy, or drink in class unless the teacher has given permission.

Homework Expectations:

Homework should be completed on time. Late assignments may receive $\frac{1}{2}$ credit for being 1 day late or earn a zero if it is beyond the deadline.

Absence Expectations:

If you are absent from school, you are still expected to make up any assignments, quizzes, notes, or projects that you may have missed. If you miss 1 day of school, then you have 1 day to make up the work. If you miss 2-3 days, then you have that number of days to make up the work. ***Parents please email me if your son or daughter is absent and I can send their work electronically.**

Social Studies Supply List

In order to have a successful year in Social Studies, please make sure you have all of the following supplies:

- No. 2 pencils
 - Blue or black ink pen
 - Grading pen: red/green
 - highlighter
 - Log book
 - 3 ring binder (a section for social studies handouts)
 - **70 sheet spiral notebook**
 - Colored pencils
 - Scissors
 - Glue
 - White out (optional)
-
- Students will use a spiral notebook to record notes, cut & paste information, charts, & vocabulary. They will also write answers to questions based on the content of a unit. They will be expected to correct their answers in class since these questions will appear on their final test for each unit.
 - Please make sure that your child has the necessary supplies for Social Studies. It will help them to be more organized and successful in Social Studies.
