CC2 Chapter 2 and 3
ACC MATH 7: Unit 2 Group Members $\qquad$ , $\qquad$

- In this unit, you will learn how to:
- Rewrite numbers in different forms in order to compare them.
- Determine whether a fraction can be rewritten as a repeating or terminating decimal.
- Build (compose) and take apart (decompose) numbers and lengths.
- Add and multiply positive and negative integers and rational numbers.
- Choose appropriate scales and set up useful graphs for data.

| Section | Lesson | Lesson Objectives | Homework | Date <br> HWK Assigned / Date Due | Got it! Write down the problems you did AWESOME on@ | Not quite there... Write down the problems you are still struggling with. | Score <br> 5=all complete w/work 3=not complete w/work $0=$ not complete w/no work |

## Self - Evaluation:

1) Did you complete all homework assignments?

If no, please explain:
2) Did you take the opportunity to seek extra help?

Yes
No

If yes, when and where did you get the extra help?
3) Reflect on TWO ideas in this unit. (You may not leave these blank!)
a) What is a concept that you feel CONFIDENT in discussing?
b) What is an area where you feel like you could use a little EXTRA HELP?
4) Write THREE things you learned in this unit. These must be written in complete sentences.
$\qquad$

- $\qquad$
- $\qquad$

5) Any concerns or comments you would like to share with Mrs. Sadler? If so, please list them below $\odot$
