## About Me

I am a Cleveland native, and I've lived in many places, but I now call Gahanna my home.

I have two kids: Olivia & Izaak. Olivia is a college freshman this year at Kent State and Izaak is a sophomore in high school.

My hobbies include: travelling, gardening, & watching my kids play in their marching bands!

My travels usually take me to Northern Michigan, but this past summer I went to Costa Rica! I like to practice Spanish, *pero hablo un poquito.* ☺

## Education

Michigan State University ~ B.S. in Elementary Education and Child Development, minor in Psychology

Cleveland State University ~ M.A. in Gifted Education
