

Name _____

PHONICS Crossword

A crossword puzzle grid with 5 rows and 5 columns. The grid is surrounded by various illustrations: a wedge of cheese above the top-left cell, a treasure chest above the top-middle cell, a bowl of soup with a chip being added above the top-right cell, a chick to the left of the second row, a baseball cap with an arrow pointing to the middle-right cell, a chip to the right of the middle-right cell, two children talking with a speech bubble containing a chick below the middle-right cell, and a net with a butterfly to the left of the bottom row.
