Describe a time you lost a tooth! Due 3/2!

Large empty rectangular box for writing the story.

I can...

Use CAPITAL letters

Put spaces

End with a period.

Draw pictures

Using 5 colors

Handwriting practice sheet with 12 rows. Each row contains a set of four horizontal lines: a solid top line, a dashed middle line, a solid baseline, and a solid descender line. To the left of each row is a small icon representing a letter: a sun for 'A', a bird for 'B', a bee for 'C', and a butterfly for 'D'. The lines are intended for tracing and writing practice.
