

MUSIC & ARTS

*RAPID*RENTALS

Dear Parent(s),

My name is Matt Ellis, and on behalf of Music & Arts, I am proud to serve as the Educational Representative for Westerville city schools. I would like to thank your director, Ms Shaffer for the opportunity to share our Rapid Rental program, and I am so glad that you are supporting your child's interest in music.

Since 1952, filling the world with music has been our vision. We are the leading instrumental music provider chosen by educators across the country. Our 200+ Educational Representatives, 200+ Retail Stores, and 300+ Rapid Rental affiliates support the start of nearly a quarter million new musicians each school year.

In fact, we have a location(s) nearby in uptown westerville to help ensure local support for you (additional nearby locations may be found online) and your child's program. Our local presence combined with our online offerings and my personal service makes us the most accessible, convenient and affordable provider for you.

Some highlights of our Rapid Rental program are...

- You may return or exchange the instrument at any time with no penalty
- We have a maintenance plan that covers repairs while you are renting
- 100% of rental payments apply towards the purchase of an instrument
- We offer special purchase discounts that are exclusively available to our rental customers
- We have the preferred instrument brands, books and supplies for Ms. Shaffer's class

Renting with us is simple.

\$9.99 covers your first 2 months for most instruments, and then it's only \$27.00 a month after that. .01 covers your first 2 months of our maintenance plan for most instruments, and then it's only \$5.00 a month after that.

A couple things to note before you get started...

- Most of you will likely have selected Fall which means your order will be available based on the selection you have chosen at checkout. If selected, school delivery (where available) will be available on the date that has been coordinated with your teacher.
- Should you choose ASAP to get a jump-start, your order will be available based on the selection you have chosen at checkout.

That's it! You can click this [RENT NOW](#) button to begin your rental!

Thank you!
