December 2021

To Parents/Guardians of Students in Graduation Cohorts 2023 and 2024,

College and Career Readiness Test Overview:

Westerville City Schools administered the PSAT on October 13, 2021, free-of-charge to all students in Graduation Cohorts 2023 and 2024 as an opportunity to measure college and career readiness, access scholarships, and practice for the SAT. Enclosed are your student's results from this fall's test administration.

This is a summary report that provides you an overview of your student's total PSAT score as well as Evidence Based Reading/Writing and Math section scores. Please encourage your student to create a College Board account and access additional, detailed information about their strengths and opportunities for growth. For a short video and additional helpful explaining your child's score, go to <https://tinyurl.com/understandingPSATscores>

On March 2, 2022, all members of the Class of 2023 will take, free-of-charge, the SAT college entrance exam. Juniors can access FREE Khan Academy resources with the link provided below to obtain personalized learning tutorials in preparation for this important assessment.

Additional Test Preparation/Practice:

Students are encouraged to review their results and use the identified practice resources below to meet or exceed college and career readiness benchmarks on future PSAT and SAT administrations:

SAT practice for the Class of 2023 (SAT will be administered on March 2, 2022)

Further Clarification/Questions:

Student score reports will be mailed home by the Westerville City Schools staff before Winter Break (December 20, 2021). For additional questions pertaining to the March 2, 2022, SAT administration (free-of-charge to Graduation Cohort 2023) or your student's PSAT results, please contact your student's school counselor.

Sincerely,

Nicholas S. McIlwain
