

Senior Meeting

On August 31st all seniors and senior parents were invited to our Senior Meeting. The slide deck, linked [here](#), includes things students need for this year to graduate as well as steps to prepare for life after high school. Please check out the links within the slides and reach out if you have any questions!

ALL Westerville North HS students were introduced to SchooLinks in advisory on September 1st. Students should be completing their onboarding process by September 30th. They can go to [SchooLinks.com](https://www.schoolinks.com) to do this. They will sign in using Google and their student Google account. Here is a [video](#) for reference. Parents will be getting their introductory information and unique claim codes later this fall as well!
