

Please Help EMERSON!

Did you know, signing-up for Community Rewards offered by **Kroger**, **Giant Eagle**, and **Amazon** is an easy way to earn money for Emerson and does not cost anything or affect your gas points / etc. offered by the stores.

We would like to especially encourage as many families as possible to sign up your Kroger's card, because it earns us the most money. Last year, 25 families were signed up, and we earned \$825. Another school in Westerville had around 80 families, and earned more than \$4,000! If we can get this type of participation, there will be no need to add additional fundraisers in the next few years.
